« *Crisis management, a local commitment for a territorial
crisis response* »

Edition 2019/2020

Candidate Application

Dossier

Deadline: December 25th 2019

Our Partners:

Préambule :

Our mission is to recognize and give value to the initiatives in the areas of crisis management and anticipation.

The Chair of Crisis management is honored to present the PhD International Awards in order to open a space to show and share the best ideas of young researchers and students around the world.

PhD Awards Phases :

- Prepare and send your Application dossier
- Send it to the University of Technology of Troyes – France
- A jury composed by members of the Collège Scientifique and The Chair's Committee for Scientific Orientation will decide upon your works
- The night of Awards

What is new in 2019 edition ?

Subjects like anticipation and crisis management are known globally. Many research centers around the globe have been created in order to contribute to the scientific progress in these areas. Therefore, the Chair of Crisis Management wants to cross borders by creating these International Awards as a recognition to PhD students efforts. For this purpose, Thesis works and the Candidate Application Dossier must be written in english.

Purposes :

These PhD International Awards differentiates the present thesis works from those presented in the last two years.

With the PhD International Awards The Chair of Crisis Management wants to :

- Contribute to the recognition and highlight the valuable works of participants
- Promote academic, pedagogic and industrial innovation from Academic and Professional world
- Support Research & Development and initiatives in the areas of Global security and especially of Crisis Management.
- Open the spaces to learn about international visions in these areas

To participate, candidates must turn in their Candidate Application Dossiers completed

How can you join us in the competition?

Every PhD student or young researcher who wants to give value to his research works and reflexions in the areas of Global Security and Crisis Management.

The Thesis presentation and defense must have been done in the last two years (2018 & 2019).

Participation is FREE

Our Partners

Application :

Application dossiers must be send by e-mail to: **chaire.gestiondescrises@utt.fr**. This process must be completed before the **deadline : December 25th 2019**.

An Application Dossier must contain :

- A registration form, (Attached to this document),
- Documents that proves the Presentation and defense of your thesis,
- Thesis report
- The thesis documents in format PDF,
- And any other document you may consider important for your application.

How the jury will be established ?

For this awards the jury will be composed by the members of the Chair's scientific college, the Committee of Scientific & Strategic orientation. The Committee will validate the academic excellence of selected works and their adequation with the scientific orientation of the Chair of Crisis Management. Depending on the excellence of the presented works, the jury could include one or two awards for each category.

The Prize:

These PhD International Awards will be presented during the annual encounter of the Chair of Crisis Management partners in March/April 2020

For these International Awards, The Chair of Crisis Management will offer:

- 1500 euros (One thousand five hundred euros)

For the PhD Awards:

- 1500 euros for the first place
- 1000 euros for the second place
- 500 euros for the third place

The accepted laureates will have the opportunity to value their research work by writing a publication in *PERSPECTIVES Magazine The scientific notebooks of (ENSOSP-The French Academy for Fire and Rescue Officers)* in a special edition for The Chair of Crisis. In the same time, this works will be published in the "Portail National des Ressources et des Savoirs" : <http://pnrs.ensosp.fr/> which is an internet website dedicated to share all the works related to the Crisis Management area.

The chosen works will also have the opportunity to be published by ENSOSP Press.

Finally, laureates will present their works in the academic community.
